Pension - Comparison of gratuity - re. Krishna
- after Tondy late checking inspection in Ration
Dept. - Grant to widow - Sanctioned

From

SRI A.R. RAJANATHAN D.A.
Collector of Kanara.

The Secretary to Government,
Finance Department, Fort St. George,
Madras 9.

Sir,

PENSION - Compassionate gratuity - U. Shankuntala Bai / S. L.
Sri Krishnaraja Tantry - checking Inspector in Civil
Department - application for payment of gratuity - submitted.

1. Petition dated 18.12.51 from U. Shankuntala Bai.
2. N. Dis. 1546/52 dated 16.4.52 from Tahsildar Udi.
3. N. Dis. 3928/52 dated 9.6.52 from Tahsildar Udi.

Sri Krishnaraja Tantry of the Civil Supplies
Department expired on 24.10.51. He had put in 5 years 7 months
service on that date. He worked as an executive officer for
a great portion of his service, as Enquiry Officer and
Checking Inspector. From 25.5.51 he was on leave as shown below.

25.5.51 to 13.6.51	0-0-20	earned leave.
14.6.51 to 12.8.51	0.1.29	medical leave on duty.
13.8.51 to 24.10.51	0.2.12	extraordinary leave.

He is reported to have died all of a sudden on the
operation table for an operation for piles. His death has placed
his family in bad circumstances. He has left behind him his wife
and a male child aged two years as also his old father.

2. The widow has put in a petition for compassionate
gratuity. It is enclosed. She says that she has nothing to fall
back upon either in the shape of immovable property or any savings
left by her husband. The deceased has not insured his life.
Enquiry shows that what the petitioner has represented is true
that the condition of the family is bad financially. She is
now living with her mother who ekes out her living by selling oil.
There are no other relatives who are either in a position to
render her any help or are under obligation to look after her.
The few jewels that she had on her person were disposed of when
her husband was on leave on half pay and loss of pay.

3. Before the deceased entered on leave he was in receipt
of pay of Rs. 57/- D.A. at Rs. 22/- and H.R.A. at Rs. 7/- p.m. His
son who is now 2 years old has to be brought up and educated.
Till the son is able to maintain himself and his mother the
family requires financial assistance.

4. In consideration of the good service of the deceased
and the miserable plight in which the family is now found, I recommend
that a compassionate gratuity of Rs. 948/- (Twelve months
pay and D.A.) may be granted to the widow. The descriptive roll
and the service register of the deceased are submitted herewith.

5. The father of the deceased is employed as an Assistant
Magistrate in the Udi Municipal office. He says while his son was
alive he (the son) used to send Rs. 15/- p.m. to supplement his
income. He performed the funeral rites and the subsequent
religious ceremonies of the deceased. I do not recommend
compassionate gratuity to him as he has not an employment.

Yours faithfully,

Humble representation of U. Shakuntala Bai, widow
of late U. Krishnaraja Tantri, C/o Mrs. Kamalamma, Residing
at Door No. 207 of XII Ward, Flower Market Road, Mangalore.

Dated - 18th December 1951.

Sir,

I am the widow of late U. Krishnaraja Tantri,
who was serving as Checking Inspector in the Rationing
Department. He expired on 24-10-1951 when he went for
an operation for piles. He joined the Rationing Depar
ment about 6 years ago. Since then he had continuous
service. He was working as a clerk for a considerable
time. During that period he developed piles. Since 1949
he was working as Checking Inspector. Unfortunately, he
was keeping indifferent health on account of piles and
his health broke down. The Physician whom he consulted
advised him to undergo an operation. Accordingly, on
24-10-1951, ^{when} he was administered with chloroform he
breathed his last. He has left behind him a male child
aged 2 years and myself.

I am now helpless. Even the few jewels which
I had, were pawned to maintain us when my husband was
on leave on loss of pay. In the fag end of his life, he

was put to the necessity of incurring much expenditure on account of the broken down condition of his health. It was at this time that he was transferred to Kasargod. He prayed for his retention in Mangalore, so that he may observe strict diet and maintain his health. His request was not granted and so he entered on medical leave and leave on loss of pay in continuation.

He has no assets of his own either in the shape of immoveable property or moveable one. He has not insured his life nor was he a subscriber to the General Provident Fund. He, having been on loss of pay on medical treatment, handloans amounting to Rs.1000/- have been borrowed. I do not know how to maintain my two year old child and myself. According to social custom I am prohibited from leaving my house till one year. So, I do not know how to eke out my living and rear my child.

I have no relations of my own who are under obligation to maintain my child and me. I humbly pray that the Board may be pleased to view my case sympathetically and grant me a compassionate gratuity of at least Rs.1000/-, so that I may clear off some of the debts and keep me above want till the period of mourning is over.

Yours Obediently,

V. Shakunthala. Bai.

2. The Sewer register and the funeral file
of the deceased are enclosed. He began his service
on 25. 3. 46 and ended on 24. 12. 51. He was an
medical nurse as far as lay in communication. At
the time of entering his service, his pay was Rs 57/-
and his death was a loss of Rs 22/- His assets and
liabilities may be as required into through the
accounting of the estate.

3. The executor of the estate is recommended
to be paid of an amount of Rs 500/-

The petitioner V. Shaktinath Bai is the widow of H. Krishnaraja Sankhni late clerk in the Rating Department, who met with premature death on 24.10.51 at the young age of 28 years when he was undergoing an operation for piles. He had served in the Rating Department for 5 years & 7 months. He has left behind his aged father, widow and a child of 2 years in a miserable condition. Enquiry reveals that the deceased has not left any movable or immovable property. He had not even insured his life. On the contrary, the petitioner states that she had incurred a debt of Rs 500/- by pledging her jewels for ~~look after~~ the medical treatment of her husband when he was ^{lame} ill and he was on ^{leave of} loss of pay for some time. She adds that she has redeemed her jewels about a fortnight ago by borrowing Rs. 500/- from Mr. P. J. S. Krishnaraja of Mangalore, fearing that the jewels would be sold away in the bazaar by public auction.

The petitioner & her child were wholly depending on the deceased and they are really in a helpless condition. The petitioner is at present living with her mother who ekes out her livelihood by vending of milk of a she-buffalo. The mother of the petitioner is not in a position to maintain her widowed daughter. There are no other relations who are in a position

to help the petition & family. The petition
is not used to any other work & is
not in a position to earn its livelihood as it is
by the Revenue Inspector. The Revenue
Inspector has to be maintained in the
